BHJS Canada Alumni Charity Hike for Yee Hong 2016

On September 3, 2016, Bishop Hall Jubilee School Canada Alumni organized a hiking for the Yee Hong Community Wellness Foundation - ""Unconditional Love"" Quilt Campaign. We had a total of 18 alumni, families and friends attended this meaningful event and collected a total sum of \$3,000. We started at Seaton Trail section 2 from the Forestream Trail to Whitevale. It was a 5 km trail and we finished in 2.5 hours! We all made it safe and sound. Horray!

Overall, it was a nice morning walk, the weather was beautiful with some clouds. We walked along the top of a cliff, corn fields, the West Duffins creek, and passed through a forest. It was a meaningful way to spend a morning with friends and help out Yee Hong at the same time.

Something that you may want to know...

In BHJS Canada Alumni Memorandum and Articles, one of the objectives is to promote in public, cultural, multi-cultural and charitable activities in communities in Greater Toronto, with the objectives to enhance relationship with the main stream and promote public image of Alumni.

We wish to keep on supporting the communities, of course, we need your support!
