

## BHJS Canada Alumni Newsletter – Summer, 2007

### Message from the Executive Committee – June 2007

While we continue to strive for the benefit and friendship among overseas fellow BHJS alumni at the beginning of this year, we would like to recollect what Mr. Sin encouraged us in his phone conversation during the 2006 annual dinner. He said: 人生有三大喜事，其中一項是他鄉遇故知。你們是異地重敘有組織，有聯繫，精誠團結，難能可貴……校友共處，都是不為什麼，皆因我們是銀禧同學。You still can hear the full version of his audio recording in our website. The newly elected executive committee this year consists of 13 members, including the newly addition of two more to this team. This change signifies two points: the alumni association is getting more enthusiastic volunteers to serve and, the EXCO is hoping to serve the members better with a stronger team. We need all of you to be our target to serve! Be it your viewing of the alumni website, your comments and suggestions sending to us, or your actual participations in the events we organized, are all meant to be the supports and encouragements we would like to receive. Anita Kwan (1966) and Lewis Wong (1976) had just stepped down from the committee after serving for three terms, and we would like to take this opportunity here to thank their contributions to the alumni which had been exceedingly valuable.

### AGM & Annual Dinner 2007

This successful event had attracted 102 former teachers and alumni, a couple of them were from across the border or out of the province. A special tribute was given to the graduates of 1967. Thanks to Angela Mui (梅麗儀) for her script that recorded the highlights of that evening. You must not miss this journalist-style Chinese passage posted in the home page of our website.

### The Alumni Website

Our website had officially launched in March after a series of painstaking co-ordinations among Victor, Terence and Steve. With limited resource, we have tried to update informative items as much and as soon as possible. In the long run, we hope this will become a piece of fruitful garden cultivated with the contributions from all of us. So let's start digging into our photo albums and share the memorable images on the website with all Jubileans at every corners of the earth. Don't forget this website bears a cost subscribed out of our membership fees.
