

Message from the Executive Committee – September 2007

Summer seems still lingering on, but moon cakes and colorful lanterns are here to remind us autumn is not far from us. However, this year Ontario hits another lowest summer rainfall record in the past three decades. This is unwelcoming news to those fall viewers, since dry summer will reduce the brilliancy of color changes in maple leaves. If you don't want to get upset with this outdoor plan, why not switch to an indoor one which we are organizing for you.

Our last outdoor activity at Whitby's Heydenshore Park turned out to be a very successful one. A piece of reflection by Winston Chiu (1965) had been posted in our website a while ago.

In July, our former teacher Ms. Ng Chui King celebrated her 75th birthday in Toronto. Some of us had attended her party. Winston and also Irene Tsai (1967) had some sharing with us and they are also posted in our website.

The Alumni Website

As we are getting more used to www: bhjscanada.com, doubtless to say it is a platform for all the Jubileans meeting with each other anytime anywhere. Class 1967 is setting a very good example. If you go into their blog, you'll see how they share with their articles and photos about their recent 40-year reunion in Hong Kong and south-east Asian countries. Thanks to the computer and internet technologies that keep all us close together.

World Vision Sponsorship

In our last committee meeting in July, we made a meaningful decision for the alumni. We will share the happiness and joy by sponsoring a needy child in the poor country through the World Vision program for just \$420 a year! This decision fulfills one of the objectives of our association, i.e. to organize charitable works in the community. Christina Chan (1970) is sending in the application for us in the meantime.

By the way, Alice Chin Yung Kit 錢庸潔 (1970) is now working as a marketing manager of the Ethnic Ministry in the World Vision Canada. She is responsible for promoting the child sponsorship program. We should feel proud of having our schoolmate involving in this world class charitable organization.

We hope you all will support this meaningful act.
