### *Another Successful AGM & Dinner*

This year's AGM/Annual dinner drew 72 attendees including former teacher Mrs. Gladys Yao and school-mates from New Zealand (Rebecca Chan Suk Ching, 1971) and San Francisco (Raymond Koo, 1973). Tributes were paid to graduates of 1966 whom attended were Rev. Peter Chan Wing Kay 陳榮基, Joanne Chan Chui Yiu 陳翠瑤, Beth Cheung Mei Ling 張美靈, Vincent Ching Man Sun 程文新, Agnes Lee Tak Yung 李德容 and Laurene Tong Chun Po 唐振寶. Tributes were also paid to graduates of 1976 whom attended were Lewis Wong Man Hoi 黃文皚 and Charles Woo Kwok Wah 吳國華. It does not need extra words to describe the event when the following commend are read:

*'Last night's BHJS AGM dinner was very nicely prepared - good food, good content. 3 Cheers for you and the exco!' ---- Angela Kok*

*'Congratulations to you all for the successful Alumni Dinner, a good reward to your hard work.' ---- Anita Kwan*

*'Under your superb leadership and the hard work of all EXCO members, the AGM dinner party was a great success. I had a wonderful time enjoying the party especially your report, speech and singing. It was an enjoyable evening with excellent program, gourmet food and good company.' ---- Edna Chan*

*'The AGM was a success this year, although crowded but good atmosphere, food is better compared to previous years, especially now if you look at the picture Se Nam forwarded, they look really good, I didn't eat the rice and noodle and I heard some people said that the rice was cold but the noodle was good, anyway, nothing is perfect, as long as we have a good time, that's good enough. I thought about my classmate who came from San Francisco and also Sharon's classmate who came from New Zealand, I think this was a good get together for them, especially when you see how happy the one from New Zealand was when she saw Mrs. Yeo and my SF classmate was asking how come they don't have the Alumni Association in the States, we should be proud of ourselves, thanks to the founder who formed this association over 10 years ago. Thanks Christina for your good leadership, we should all thank ourselves for the work done. Hopefully next year we will get more than 10 tables. Special thanks to Verdi and Peggy, although they are not committee members, they worked harder than me, I feel so ashamed of myself. ---- Heather Lam*

During the AGM dinner, attendee in each table have to create a seven-character line using a word from BHJS Alumni Association (舊銀禧中學校友會) to form a poem. Here is the final poem:

藏頭單聯七言詩

舊日同窗今聚首  
 銀禧時光永難忘  
 禧年歡聚慶神恩  
 中英數理我至強  
 學友攜肴飲多杯  
 校訓導航役於人  
 友誼永固超時空  
 會否明年再碰頭

Last but not least, BHJS Canada Alumni will continue to sponsor a child through World Vision, thanks to all who generously donated, we collected a total of \$545 in AGM.
